Belong ... Believe ... Achieve

4th January 2018

Dear Parents, Carers, Governors and Children

Welcome back to the Spring Term 2018. I hope you all had a restful break and plenty of Christmas fun.

Dates for the term

A list of dates for the term ahead is attached. More details of events will follow nearer the time, but here are some dates for your new calendars.

E-safety workshop

Don't forget our E-safety workshop for parents and carers on Monday 15th January, 7pm -9pm. This promises to be a useful evening for now and as your children grow. See the attached flyer.

Christmas Plays charity collections

The collections at our Christmas Plays raised a super total of £326. This has been shared between Cancer Research UK and Diabetes UK – the children chose these charities through the School Council. Thank you for showing your appreciation in this way.

Measles, Mumps and Rubella (MMR) vaccination.

Following some serious outbreaks of measles in England and Wales, we have been asked by Public Health West Sussex to remind parents of the importance of the two dose MMR vaccination for children. Please see attached leaflet for more information <https://www.gov.uk/government/publications/mmr-for-all-general-leaflet>

After school activities

Just to remind you that these start week commencing Monday 15th January. Slips to let you know what club/s your child has got in to will come home at the beginning of next week.

Football with Albion in the Community starts on Tuesday 9th January.

Fruity Friday

Don't forget 'Fruity Friday' which starts tomorrow, Friday 5th January. If your KS2 child would like to be part of our 'Fruity Friday' scheme, please complete and return the attached form and enclose £2.50 - this will allow your child to choose a piece of fruit each Friday until the end of the spring term.

Yours sincerely

Julia Carey
