Dear Parents, Carers, Governors and Children

### **Special News**

I am delighted to be able to tell you that Mrs Skelton is expecting a baby at the end of August. This will be a brother or sister for little George and we wish Mrs Skelton well as she and Mr Skelton look forward to their new arrival!

During the summer term the governors will appoint a part-time teacher to work with us while Mrs Skelton takes maternity leave.

### **Tell us your views**

It is always useful to us to know your views about what we are doing well and what you like about our school, and equally, ways we could do even better. To this end Ofsted have an online 'ParentView' facility and there is a link to this questionnaire from our school website. If you prefer, I am attaching a copy of their questions which you can complete and return to school either by email or as a paper print out.

The governors and I will consider all your views and would be very grateful if you could take the time to do this either online or on our print out. Thank you.

Yours sincerely
