

I am extremely happy to inform you that RnB will be returning to North Mundham in April 2019. As you know RnB is fortunate enough to be extremely popular and classes are always filled to full capacity, hence why we enrol students on a first come first serve basis. If you would like your child to take part in RnB workshops, we kindly ask you complete the form below and send it back with FULL payment asap to the office. Please note we cannot secure your child's place until both parts of enrolment is completed (consent form and payment)

For any further information about RnB or additional information please contact either myself on 07517442539 or alternatively please contact the office. I look forward to seeing you on our first session back. Many thanks for your continued support. Rachael - RnB Dance Co.

Please carefully complete the form below and bring back in a sealed envelope with your child's name and what class they are enrolling for clearly on the front.

RnB will only take responsibility for your child when they are enrolled correctly into one of our sessions. Before and after this time RnB will not be held liable for your child's safety and actions. RnB cannot be held responsible for any loss or damage of your child's belongings at any time. Please make sure you have made suitable arrangements for your child arriving to and from the session. RnB is a fun, friendly and professional environment where we encourage children to learn dance in a positive way. We take the care of the children very seriously and work closely with the school to make sure the children's welfare and progress is closely monitored. However if there is a situation which RnB needs to be aware of this is your responsibility to let me know as soon as possible. If for any reason a session has to be cancelled on my part your child will have a session replaced or receive a voucher. RnB cannot offer refunds under any circumstance.
