A message from Mrs Gordon

Dear Parents and Carers,

Once we finally got going (after two very wet mornings), our Class bubble sport events have been a great success. Class R did brilliantly on Thursday in the sunshine. Everyone had a go at all of the events and tried their best to achieve. We have some very good young throwers who may make the school cricket team in future years!

Class 3 had their event this morning and did equally well. I was particularly impressed with their resilience when they tried the long distance race as well as their support for each other.

Points are being tallied and the winning house will be announced next Friday. Many thanks to all of the staff who have worked hard to make those events so successful.

Class 3 have been busy preparing their Roman shields as part of their 'Rotten Roman' topics. They are all ready and look fantastic. I look forward to seeing them being modelled by our Roman soldiers.

Class 4 have had a different week this week while Mr Tran has had to self-isolate at home. He has been teaching them over Zoom. The children have been amazing and coped very well with this potentially tricky situation. Mrs Saxton and the other adult helpers have also worked very hard to make everything run smoothly- well done everyone.

Year 5 took part in a football tournament this morning and came 4th, which was a great achievement. There has been little opportunity to take part in similar events so it was a good opportunity to experience playing as a team and working together.

Year 6 girls have also taken part in a football tournament this afternoon- well done everyone for great participation.

*On Wednesday and Thursday evening Mr Murray led a dedicated band of volunteers to clear and tidy the grounds of the school. I would like to say a **HUGE THANK-YOU** to everyone who took part. It has made a significant difference with all of the weeding, sweeping and trimming and painting. The school community is always strengthened when people come together in such a way and there was a great atmosphere as everyone worked very hard. I know that there are already plans for more similar events, so please let us know if you would like to help.*

On Thursday evening I attended the licensing service of the new vicar, Reverend May Barker, at St Stephens in North Mundham. It was a lovely service led by the Bishop of Chichester. I look forward to continuing the tradition of linking closely with the church in the near future.

We also welcomed some of our new Class R children on Wednesday when they came and visited as part of their transition. Most didn't want to leave at the end of their session, which we will take as a good sign.

Please don't forget that Monday is an INSET day so the school is closed to pupils.

Have a great weekend,

Zoe Gordon

St Stephen welcomes a new vicar

Our neat and tidy grounds

Reminders and Notices

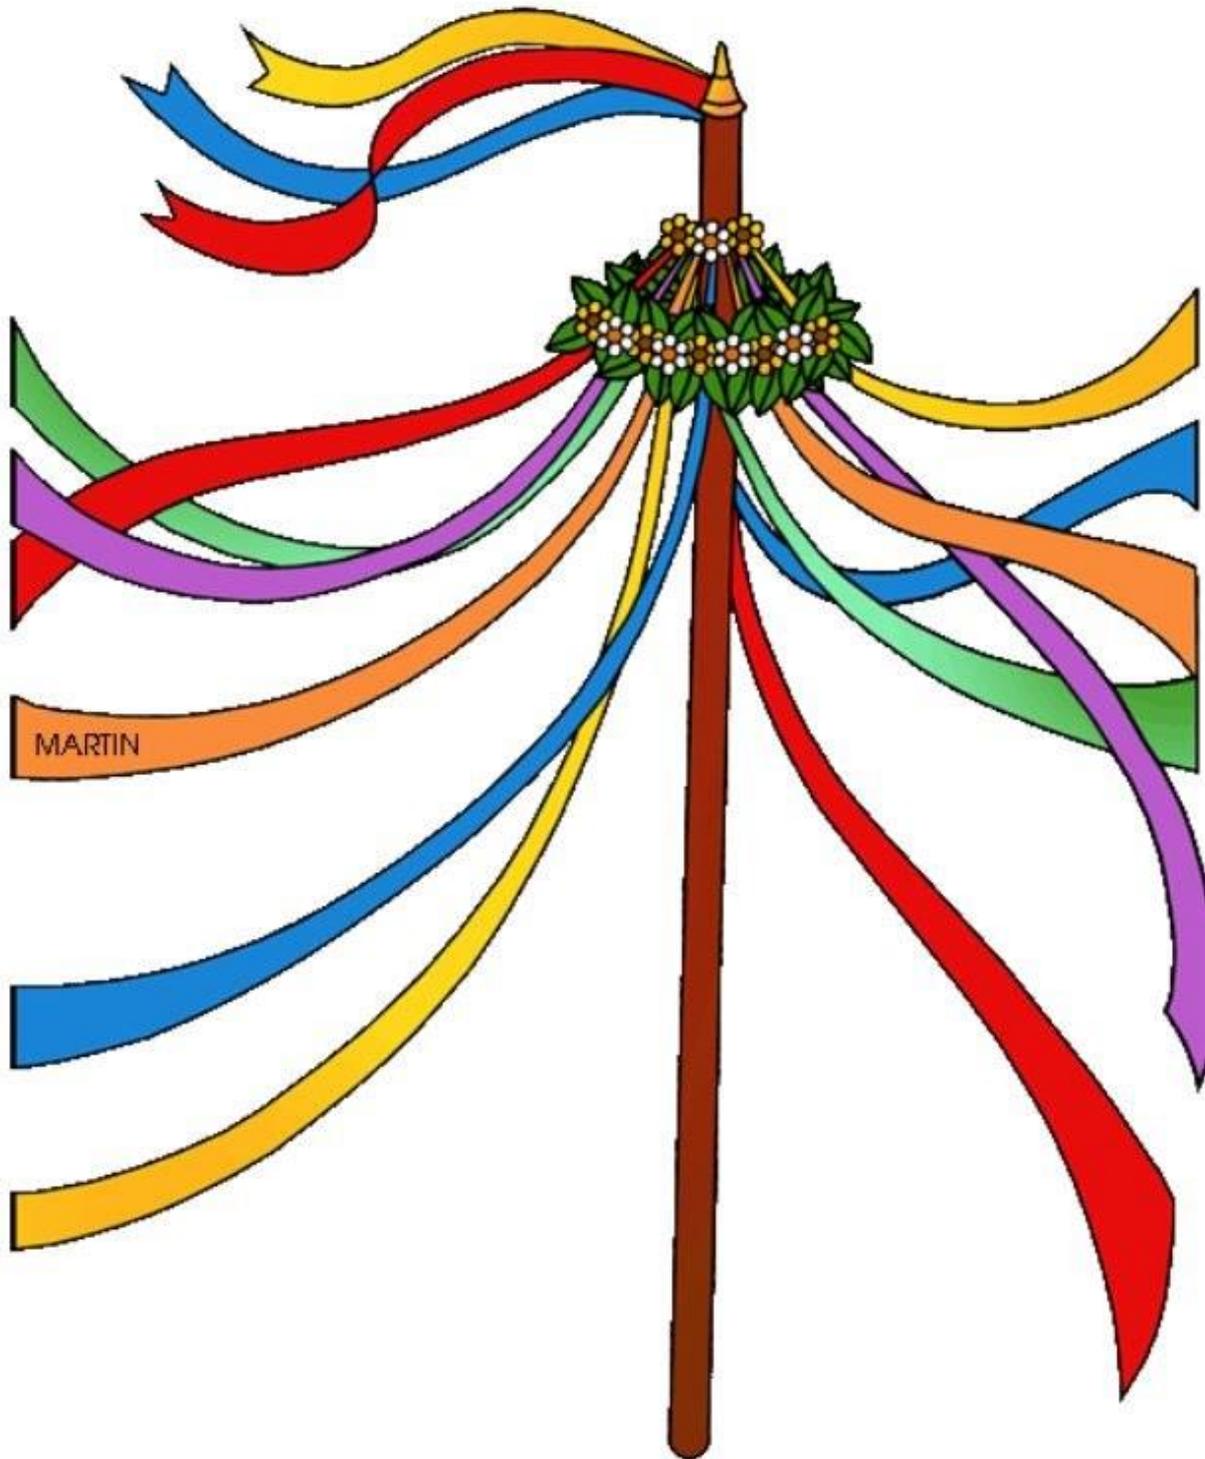

Class 6 performance

Due to the change in government guidance (not moving to wholesale reopening until 19th July), we have made some changes to the way we would like to schedule the performances for Class 6. To allow them to perform in front of an audience we are moving the performances to Wednesday 21st July and Thursday 22nd July. The Wednesday performance will be at 6pm and the Thursday performance will be at 1.30pm and will be followed by a short leavers' celebration. As this is our first inside event we are limiting the audience to 30 people. Therefore, each child can have one audience member to each performance. We hope that this will give scope to you all. There will be a google form to complete prior to the event to indicate which you will be coming to.

Sharing work events

For all other classes, there will be a chance for your child to share some of their work with you in the last week of term. These will be at different times for the different classes. They will be held outside and again only one parent per child will be admitted. You will need to complete a form prior to attending. Times will be shared next week.

Dates for the diary

Monday 5th July- School closed for INSET

Tuesday 6th July- Y6 Sports' Day 1.15

Wednesday 7th July- Y2 Sports day- 1.15

Thursday 8th July- Y5 Sports' Day 10.30
