A Message from Mrs Gordon

Dear Parents and Carers,

Our Sports' Days this week have been a great success. I hope that all of the adults who came to watch enjoyed being a part of it. We would welcome any feedback on the event.

The children enjoyed it very much and these are some of the things that they said:

Year 3 Quotes

'Sports' day was good for me as I came first in the hurdles- I like to jump'- Miles.

'Sports 'Day was great- especially the hurdles because I was like sonic the hedgehog doing his training practice- Riley

'The best part of Sports' day was the long distance running'- Lucas

Year 4 Quotes:

'I like the sprints because I got to run as fast as I could' From Poppy

' I enjoyed the 400m because it was really challenging and I like running' From Leiala

'I like the hurdles because it used both jumping and sprinting' From Oliver M

'I liked how much effort and teamwork everybody put into sports day' From Beth

' I enjoyed the tunnel and wheel because the whole class got to take part and it was a great example of teamwork!' From Ollie

Year 6 Quotes:

"I love Sports Day, it always is fun and has fun activities. I will always remember it." Louis

"I was going to pull out, however I didn't let myself or my team mates down" Caitlin

"I walked up to Mrs Gordon - our Head Teacher – and asked for a 1st place sticker! She simply gave me a cheeky grin, which made a smile flourish upon my face!" Ada

"The best Sports Day ever! It wasn't with too many people. A lot more interactive!" Lucas

"I thought Eagles were going to win. This is the biggest upset in a while!" Shay

"I loved Sports Day. I achieved so much this year!" Harley

"The races were full of excitement, nervous thoughts and a strong sense of competition that you could see in the faces. Not me though –I had a broken arm!" Daniella

"We pushed ourselves to our limits; helping each other and cheering. I will remember North Mundham Sports Day." Elouise

In assembly today we announced the winners overall.....

4th Place went to Falcons with 263 points

3rd Place went to Kites with 277 points

2nd place went to Eagles with 314 points

and 1st place went to Kestrels with 336 points!

Well done Kestrels and well done to everyone for taking part and for behaving with a positive and inclusive attitude.

In other news this week - on Monday our girls' cricket team did extremely well and qualified for the County finals which unfortunately clash with their secondary transition day but we are very proud that they made it through.

On Tuesday evening, Miss Guppy and I took the choir to The Priory in Priory Park where we took part in a United Voices event. The children had the honour of performing in The Priory itself. This building is usually only opened for weddings. It is a wonderful, old (752 years) space with amazing acoustics. The children rehearsed alongside a choir from Singleton School with singer and song writer Emily Barden. Then they performed for friends and family. Another amazing event!

Tuesday also saw the second of our swimming training sessions. Unfortunately the gala has been cancelled but we are very grateful to Kerrin Cruttenden who came and helped train the children who will certainly be ready for the next opportunity that comes along.

Our Year R set off for Aldwick beach on Thursday. Whilst the weather was a little inclement to start, it soon dried up and they were lucky enough to be able to explore the beach and the surrounding area. A great time was had by all as they sketched, built and investigated the beach.

This afternoon all of the musicians who are taught by Emma Milne, showed off their talents in a concert in front of the rest of the school and families. It was wonderful to see the development from those who are at the beginning of their musical journey to the older children who are more experienced. Coming up in front of the whole school and playing takes such a lot of courage - well done everyone.

Have a great weekend.

With kind regards

Zoe Gordon
