## A Message from Mrs Gordon

Dear Parents and Carers,

Last Friday saw the Arts' evening make a welcome return after two years without it. I'd heard lots about this event but still wasn't properly prepared for such a lovely event. All of the staff and children had worked very hard to make it such a success. The school looked fantastic with incredible creative art exhibited in all of the classes. The children were so proud of what they had produced and it was great to welcome so many visitors to share the experience. The live music was great - thanks to Mr Soothill and his fellow musicians. It made a great atmosphere along with performances from our school dancers and the choir. All in all a really great community event.

Last Thursday I took a small sports' team to Boxgrove to take part in the Goodwood Area Sports afternoon. Our team did really well in their events with lots of first places, seconds and some thirds. They were very supportive of each other and a credit to the school

In other sporting news our year 5 mixed cricket team took part in the county finals on Monday. They had some very close matches and although they didn't place, Mr Tran was very proud of how well they worked together as a team- once again excellent ambassadors for our school.

Year 6 finally got their Cobnor week this week and what an amazing week they have had! It was a strange week as they had their Year 7 transition day in the middle but they coped well. They have taken part in activities such as sailing, cycling, aeroball, climbing, running and many more. Mr Murray, Mrs Gill, Mrs Berger and Mr Orchard were very proud of them and the centre staff commented very positively about their manners and behaviour. Well done Year 6!

On Wednesday we had our transition day and as well as welcoming our new Year R children, all of the children had an opportunity to meet their new class team and spend some time in their new classroom. Everyone really enjoyed their time and coped well with the change.

Year 2 went off to Selsey to find out about sea safety as part of their coastlines topic. They had a great day and also spoke to a local fisherman about what types of fish and sea creatures that he catches. This was such a good link to their topic and a way to find out about a local seaside town as well as the vital job that the RNLI do. Year R also had a visit from the RNLI this week and found out about the importance of staying safe at sea.

As we enter into the last two weeks of term, the summer weather heats up so please make sure that your child has a hat and a water bottle with them. Please also ensure that sun cream has been applied at the beginning of the day. They can reapply it themselves throughout the day if they bring it in.

**Enjoy the sunshine and have a great weekend.**

With kind regards

Zoe Gordon
